

SAN FRANCISCO FLOWER MART TOUR+ FLOWER ARRANGING WORKSHOP

Find your inner florist at the San Francisco Flower Mart

FLOWER ARRANGING WORKSHOP After your inspirational tour of the Flower Mart, learn how to professionally style flowers for yourself in our two hour workshop. We'll start by demonstrating essential techniques on flower arranging. Learn how to select flowers and prepare them for longevity in bouquets, choose the right vessel to compliment your flowers, and discover the importance of color and texture in floral design. You will design your own bouquet from a variety of flowers, foliage and vases provided at the workshop. At the end of the day you will walk away with professional tips on flower arranging, a stunning floral arrangement styled by you and the confidence to select and arrange flowers for yourself or as gifts.

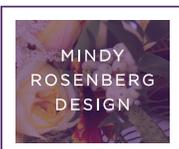

DETAILS This package includes a florist guided tour of the San Francisco Flower Mart, professional floral instruction, all floral materials, vessels, beverages, bites and gift.

TOUR Tour one of San Francisco's most beloved institutions, the San Francisco Flower Mart. This historic place is one of only five wholesale flower markets in the country. On this tour you will see an amazing variety of fresh flowers and plants from over 50 individual vendors. Get a first hand look at selecting flowers for bouquets through the eyes of a florist. Explore unusual varieties of flowers and plants coveted by florists before they hit the retail market. See, smell, hear and feel the beauty and excitement of the San Francisco Flower Mart on this tour.

As the owner and creative director of Mindy Rosenberg Design, Mindy composes stunning floral décor for weddings and events all over the SF Bay Area. Her search for natural beauty has led her from designing nature-inspired jewelry to styling flowers. Her work has been featured at Bouquets-to-Arts at the DeYoung Museum in San Francisco, Filoli, and The Hillsborough Kitchen Tour.
